

On the 3rd of February 2018, two of our students; Megat Syahmi Aiman bin and Mohamad Aidan dan Khalis Ariff bin Mustaza Reza have participated in the Final Round of the Malaysian Earth Science Olympiad (MyESO 2018), held at Kolej Permata Insan, Universiti Sains Islam Malaysia in Nilai. Both of them are doing A-level Engineering program and will be having their exam in May this year.

Together with the other 66 finalists from all over Malaysia, our students were competing for 4 places to be able to represent Malaysia in the International Earth Science Olympiad which will be held in Kanachaburi, Thailand in April 2018.

We wish them the very best of luck.

Khalis Aliff and Megat with their certificate.
